

## Staff Senate Biography

Name: Jessica Guillory Riche

Job title: Business Manager II, Property and Facilities Management

School or Division: Vice Chancellor for Administration and Finance

Tenure at LSUHSC: 7 years and 5 months

What do you hope the Staff Senate accomplishes and why are you a Senator?

Through staff representation, I intend to give LSUHSC employees a voice in the campus community. I want to be able to influence, change and present the administration with my interests and concerns so they can be considered. Along with encouraging networking within departments and divisions, I also want to foster a feeling of community and belonging.

Why do you enjoy working at LSUHSC?

I have genuinely enjoyed working at LSUHSC-NO in various roles and departments over the years. I've met and worked with some incredible faculty, staff, and students. I truly feel a sense of belonging, and I enjoy coming to work every day. It has been a great honor to work with such wonderful individuals and an organization that values their employees. I will always remember the life lessons I learned and the personal growth I received from LSUHSC-NO.
