

Staff Senate Biography

Name: Toya D. Shanklin, MBA

Job title: Business Manager

School or Division: School of Public Health

Tenure at LSUHSC 19 years

What do you hope the Staff Senate accomplishes and or why are you a Senator ?

My hope is for the Staff Senate to establish a foundation level of trust amongst all staff with ongoing action parameters to increase that level of trust along with accountability as the Senate continues to develop and understand the needs that will result in the best and most appropriate levels of resolve for all.

Why do you enjoy working at LSUHSC ?

Working in cancer prevention and control allows me to utilize skills acquired through extensive education and training to contribute towards efforts that continue to improve the quality of life of residents throughout the state with lifesaving screenings and other invaluable services.
